data innovation alliance

3 conferences, 3 discounts - your chance now!

May 18, 2022

Dear Alliance members,

Spoiled for choice! There's a conference each taking place in the Italian-, French- and German-speaking parts of Switzerland this June. Whether you want to go hybrid, stay local or travel to a new region, there are experts to meet and ideas to exchange (in English & German). The best part? You as a member get a discount for each conference.

SDS2022 - June 22 - 23, 2022, Lucerne

The wait is over! [SDS2022](#) is coming soon and registration is open.

Our members who wish to register can use the discount code: ***d_i_member***

The program and workshops are set up and can be seen [here](#). Don't wait to [register](#). We look forward to welcoming you live and online at SDS2022.

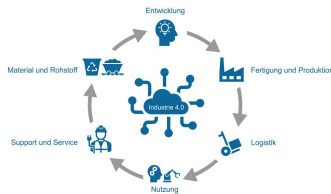

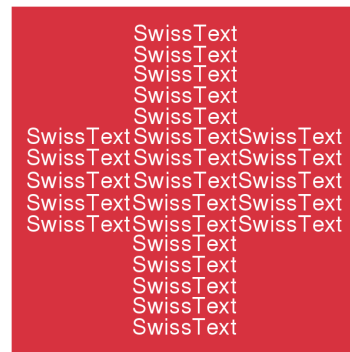

SwissText - June 8 - 10, 2022, Lugano

This time in Lugano, the data innovation alliance is co-organizing the SwissText Conference. For our members discounts please use the following code:

Organisations code: ***SwissText2022_DIA20***

Individual members code: **SwissText2022_DIA30**

Learn more and importantly [register](#) in time!

5. Konferenz Perspektiven mit Industrie 4.0 - June 1, 2022, Winterthur

Pioneering and exemplary solutions by and for Swiss SMEs. Be inspired to adopt solutions, adapt them and implement them profitably.

There is a special ticket category for data innovation alliance members, please use it to get a discount of 30%. Tickets and further information can be found on [the ZHAW event website](#).
